December 23, 2019

Dear Pastor,

It is with great honor and joy that I recommend Benjamin and Carrie Cooley for your consideration as church-planting missionaries to the Northwest United States. Brother Cooley has proven himself as a faithful member of Harriman Baptist Tabernacle for many years. He is a graduate of Harriman Baptist Bible Institute, under the direction of Pastor Emeritus Dr. James Jones, where he also taught for many years. Brother Cooley currently preaches our radio broadcast "Truths to Live By," teaches our teen boys Sunday School class, and maintains a full preaching schedule as well as a full-time job. Mrs. Cooley faithfully supports Brother Ben and the church. They have very well-behaved children that are in subjection with all gravity, and they faithfully and cheerfully give to the work of the ministry in tithes and offerings and in support of foreign missions. Brother Cooley has a great burden for lost souls and is consistent in soul winning. This precious family is a tremendous asset to our church and to me as the pastor. They have stood faithfully by the church through many difficult times and have gone above and beyond in support of their pastor.

It is our privilege to serve as their sending church, and it is without any reservation that I recommend them for your consideration. The whole family is full of faith, charity, humility, and holiness. I believe Brother Ben has proven himself to be a man filled with the Holy Ghost and a God called preacher of the Gospel. Please feel free to contact me any time if you have any questions.

Thank you,

Clint Boyer – Pastor
